Reason for derogation request													
a	No variety of the species which I want to use are registered in the Irish organic seed database												
b	The seed supplier is unable to deliver the seed or seed potatoes before sowing or planting despite ordering the seed or seed potatoes in reasonable time												
c	The variety which I want to use is not registered in the database and I can demonstrate that none of the registered alternatives of the same species are appropriate for my												
d	For research purposes
