<b>Reason for derogation request</b>														
<b>a</b>	No variety of the species which I want to use are registered in the Irish organic seed database													
<b>b</b>	The seed supplier is unable to deliver the seed or seed potatoes before sowing or planting despite ordering the seed or seed potatoes in reasonable time.													
<b>c</b>	The variety which I want to use is not registered in the database and I can demonstrate that none of the registered alternatives of the same species are appropriate for my production (you will need to indicate the reason they are not appropriate)													
<b>d</b>	For research purposes
